

The background is a vibrant space scene. At the top left is a large orange planet with dark spots. To its right is a purple planet. In the upper right corner, a large blue comet or asteroid is shown. The sky is dark blue, filled with yellow and white stars of various sizes. At the bottom, a green and yellow planet with a blue river is visible. A blue and red rocket is on the right side of the planet, and a small yellow alien with large eyes is standing next to it.
